Subject : Investment-linked Fund Update – **PRU**Link Flexi Vantage Fund (USD)

Thank you for being a valued customer of Prudential Assurance Malaysia Berhad ("PAMB"). We're here to provide you with peace of mind by protecting your wealth and helping it grow with confidence.

As part of our commitment to sustainable fund management and enhancing potential fund performance, we will be closing the **PRU**Link Flexi Vantage Fund (USD) **effective 12 July 2026**.

To support you through this transition, we're recommending the PRULink Global Managed Fund (USD) ("Recommended Fund") as a suitable alternative. It comes in the same currency.

What you need to do by 26 June 2026:
We understand that changes to your investment may require careful consideration. To help you make an informed decision, please:

1. Review the Communication Pack via weblink for full details
2. Submit your instructions to switch your investment units and recurring premiums to either:
   - The Recommended Fund mentioned above, or
   - Another fund of your choice

To proceed:

- If you choose the **Recommended Fund**: Please follow instructions in email / physical letter (if applicable) to submit your response.
- If you prefer **another fund**: Please contact your servicing agent/bank representative for more information and/or assistance for other fund(s) choices. You may also contact our Customer Service Representatives at this dedicated phone number: +603 2771 2450.

If no action is taken by 26 June 2026, your existing investment units and recurring premiums will be automatically switched and redirected to the Recommended Fund on 12 July 2026 to ensure continuity. The Net Asset Value (NAV) will be based on the investment value as of 15 July 2026.

Please be assured these changes come at **no additional cost** and will **not affect your insurance coverage.** If we don't hear from you, we'll follow up with reminders.
