

Having a comprehensive medical plan is a necessity for everyone

Why? Because you're not superhuman. We all will need medical care at some point in our lives.

Recovery takes time

It could take months or even years!

The ever rising healthcare costs

Malaysia's estimated medical inflation rate in 2022 is 12.0% = 6X higher than the annual general inflation rate¹.

The future is uncertain

Would you have enough coverage to last your older years or declining health?
